

Orthotic & Prosthetic Innovative Technologies Conference

Save the Date! May 19 & 20, 2023

To be hosted in beautiful downtown Minneapolis, Minnesota!

The aim of this conference is simple: *Educate* (the public about emerging technologies and innovations), *Stimulate* (investigation of new clinical frontiers), and *Unite* (innovators and investors). Our goal is to attract participants from a broad array of educational and professional backgrounds who will help bridge the gap between concept and reality in order to improve the lives of the patients we serve.

Mission:

Foster emerging technologies that can advance patient care and have a transformative impact on the field of orthotics and prosthetics

Typical participants:

Prosthetist-orthotists, orthopedic surgeons, physiatrists, engineers, physical and/or occupational therapists, researchers

Sponsored by:

Gillette Children's Specialty Healthcare

Conference Chair:

Michelle Hall, MS, CPO, LPO, FAAOP(D)
